Received letter No. Rpt. 4/15/13-54 dated 6/10/13 from the Municipal Commissioner in the matter of purchase of books made for the Municipality.

(1) This is a case in which books Valued Rs 486/71/0 have been purchased for the use of the Municipal Reading Room as a resolution of the Reading Room Sub-committee and the payment of which is objected to in Audit on the ground that the Sub-Committee has no powers of arrogating to itself a duty which rests in the executive functions of the Commissioner

(2) under Rule 27 (d) of the Municipal Accounts Manual, other Contingent Charge such as payment of Rewards for detection of smuggled goods and Purchase of Stationery &c when the charge is within Rs 1000/= a year is within the competence of the Municipal Council to Sanction the Purchase of books for the new Library being in the nature of a Contingent expenditure, Sanction of the Municipal Council to incur this expenditure is necessary. No such Sanction, obtained as seen from the Commissioner

letter.

2) The other objection of the Audit that the established procedure of calling for quotations & has not been followed may not however hold water in the present case as the books are usually sold at prices fixed by the Publishers and there cannot be much variation from firm to firm for the same book.

The Commissioner has already incurred the expenditure and there is no alternative except to regularise the purchase to pay the bills of the firms

If approved, the Commissioner will be requested to place the matter before the Council for approval and send the resolution to Government for sanction.

Sir,

Re -Payment of Bills for the purchase of books for the Municipal Reading Room, as resolved by the Sub Committee for the Reading Room

-- 0 ---

I write to state that the Reading Room Sub Committee has at its meeting held on 6-8-53 passed a resolution that payment of 5 bills amounting to 486-7-0 be made for 570 books purchased by the Committee being the value of and has passed the bills of the firm to this office for payment

The Internal auditor of this Municipality, to whom these bills were passed for scrutiny, has put in an objection that the Reading Room Sub Committee is not an executive body, that it has not been vested with power for placing orders for books and purchase them, that it could at best pass a resolution and obtain sanction for the same, that the Municipal Commissioner, being the Executive authority vested with these powers in accordance with Sec 92 (5) of the Mysore City Municipalities Act 1952, has had to place orders observing the codal provision and that since the Committee has itself assumed all the Executive powers and passed on the bills merely for payment in this office, that the bills cannot be admitted in audit and passed for payment without specific orders of Government

Further the procedure of calling for quotations from several Firms and effecting purchases at lowest rates, as required by rules have not been observed in making the above purchase

I therefore solicit kind orders of Government whether the enclosed bills as received from the Committee may be passed for payment by me and whether I can make payment. The connected papers containing the Internal Auditor's note, bills in original and the extract of resolution of the Reading Room Sub Committee accompany for kind reference and return
